Weekly Specials Rotation for Jan. 24–Jan. 28, 2011

Cursive Writing:

de la compañía de la

We have learned to use cursive in most of our daily activities. The only time we are not using it, (it is NOT required, but some choose to) is on our spelling/ reading tests. We will continue with our poetry cursive journals this month as well!

Science and Social Studies will take a break after Christmas in order to prepare for ISAT. You won't see ISTA materials coming home yet because we keep most of them at school to practice until February. We will continue with subtraction. We will learn how to subtract across several zeros, and to subtract by regrouping (borrowing). This will be a challenging week in math!

15 Min Facts will be coming home! Please be sure to practice at least 15 mins each night!

English/Writing:

We will complete our study of adjectives this week!! However, we will continue our fun and exciting Winter Adjective studies! We will also be studying written responses. This week, we will discuss story elements and making inferences, plots, setting, and identifying main ideas/characters!

Math:
