Spelling Test! Reading Test! OH MY!

Spelling

We started Unit 26 in our Spelling books on Monday. These are double consonant words—AGAIN!!

By Tuesday, we will complete pgs. 172–177 in our spelling books, a spelling task, and spelling scrambles. We will also complete spelling tic-tac-know charts, write JUICY sentences, and place these words in ABC order for extra practice.

On **Thursday, March 27th**, we will have spelling test #26 on Unit 26 words. We will continue using cursive on our spelling tests this week (on words in which we feel comfortable).

Reading

This week's story is titled, "Carving the Pole." It is a chapter from a nonfiction book titled, "Totem Pole." This chapter details the life of a boy named David. His father carves totem poles for a living. David helps his father in several ways; and learns from him as well.

We will discuss the Klallam people, location of their tribe, and their culture. We will learn about the Klallam way of life, what they honor, and things that are symbolic to their beliefs.

We will even get a chance to design our own totem poles!

In other buzz-worthy news:

Social Studies:

This week, we will continue our focus on the various branches of government. (For a 2nd week) This is a tough concept. Our primary focus will be the similarities and differences between local/state and federal government. We will create flipbooks to help us with difficult terminal-

ogy and Illinois government officials.

Math:

We finished measurement VERY quickly and will now focus on graphing (as we did in the beginning of the year). Now, we will take our graphing skills further, and utilize multiplication, division, and multi-step problem solving as we apply them to graphing. Multiplication and

division skills are still very important. Logs will continue to come home each Monday.

English/Writing:

We will continue the MYSTERY GENRE with a very special "Mystery Detectives Unit," complete with spy glasses, hats, and special case files. This is always so much fun! We will complete our first "case file" as a class, but will split into Mystery Book Clubs to "crack the next
