

Greetings Third Grade Families!

Can you believe it? It is February! We will have our class Valentine's Day Party at 1:30PM on Thursday, February 14th. As always, you are welcome to attend. We will be creating special valentine bags for the occasion during class that morning. If you choose, your child may bring valentines to school on February 14th.

Below is a list of students' names in our 3rd Grade classroom, just in case your child chooses to bring valentines to school. Please remember, this is completely optional. If you choose to send valentines to school, please also be sure the valentines are in a ziploc or other bag that is clearly labeled with your child's name.

Thank You!
